FOR IMMEDIATE RELEASE

**Taney County Health Department Extends Hours in Forsyth
August 15, 2022**

The Taney County Health Department (TCHD) is pleased to announce extended hours at the Forsyth location. This location, which is now open, will extend their hours from 9:30 am to 6:00 pm every second and fourth Monday of the month.

“Extending the hours will give those who work until 5 o'clock an opportunity to receive vital services,” states Erica Craig, TCHD Interim Clinical Manager. “WIC services have been provided during these hours for many years and mirroring clinical hours allows us to serve more families and residents.”

The new hours began Monday, August 8th. In addition to WIC services, all clinical services will be available. These services include lab testing, immunizations, birth/death certificates, and water testing kits.

For more information, or to schedule an appointment, contact the Taney County Health Department at 417-334-4544, visit our website at www.taneycohealth.org, or like our FaceBook, Instagram and Pinterest pages.

###

The Taney County Health Department envisions a community of healthy people. Every day, we work to achieve this vision through leadership, collaboration, education and service. We value integrity, learning, teamwork, positive communication, quality improvement and dedicated service. Please visit our website <http://www.taneycohealth.org> to learn more about our services.
